Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's rep. agrees to amend claims 60, 61 and 84 as indicated in the attached examiner's amendment. Such amendment is necessary to correct for some informalities so as to place the application in better form for allowance. In addition the above reference was discussed and applicant argues that fig.1 does not anticipate or rendered obvious claim 60 because the converter does not convert coaxial data to differential data.
